Student Information

-**Zoe Agape Midzpa Bobelo

- **Student Number:** ST10530562

- **Email:** st10530562@myemeris.edu.za

- **Module:** WEDE5020 - Web Development

- **Project:** LEXHAPHOTOGRAPHY - Small Business Website

Project Overview

LEXHAPHOTOGRAPHY is a real, operating small business owned by Liliso Ntloko, based in Komani, Queenstown (Eastern Cape) and Sandton. The business specialises in Matric Dance shoots, Nature photography, and Model Shoots. Currently has no website and relies on Instagram @lexhaphotography and WhatsApp 072 390 8908. This project creates a 5-page professional website to centralise portfolio and increase bookings.

Website Goals

- Increase bookings by 40% in 12 months

- Centralise portfolio: Nature (4), Matric Dance (4), Model (4) = 12 images

- Enable bookings via enquiry form

- Build luxury brand with charcoal #2B2B2B and gold #D4AF37

KPIs: Enquiry submissions 10/month, time on Gallery >2 mins, Instagram clicks, bounce rate <60%

Key Features - Actual Implementation

- **01-home-page.html (Home):** Welcome to Lexhaphotography, business intro, [Book Your Session Today]
